LAUSD Shutdown Resource Survey

South Central Youth Empowered thru Action (SCYEA) wants to hear about your experiences during the LAUSD school closure. To uplift student voice and experiences in South LA schools, SCYEA will work to accumulate as many different student perspectives as possible, so please share this survey with other students! Youth will use that data and decide which course of action is most important to the student experience. You can join this movement and advocate on behalf of yourself and your peers for better access to resources from LAUSD!
